

**JERSEY SURFBOARD CLUB  
VOLUNTEER LETTER OF AGREEMENT**

**Date: 16.10.14**

Dear Jersey Surfboard Club Volunteer,

I'm delighted to welcome you as a Volunteer with the Jersey Surfboard Club ('JSC') which is one of the oldest and most successful surf clubs in Europe.

Thank you for agreeing to volunteer and help the JSC continue to thrive and grow. We hope that your volunteering experience will be meaningful and enjoyable!

Whether you're a member of the Committee, a coach or helper there are plenty of opportunities for you.

There's always lots and lots to do – possibly helping the team run the Mourant Ozannes Surf Academy, assisting coaches with performance squads during school holidays, raising funds to send Senior and Junior teams to participate in prestigious overseas comps, selling raffle tickets at much needed fundraising events, and day-to-day administrative stuff.

Copies of our procedures and policies can be found on the website or just ask any member of the Committee if you need anything else.

There are a few things that we expect from our volunteers - and there are things that you will expect from us!

This of course is a voluntary arrangement and working as part of a team – it's binding in honour only and you are free to withdraw your volunteering at any time.

**What we expect from you:**

- that you will volunteer at the times agreed or inform us if this is not possible
- that you will abide by the JSC's policies and procedures

**What you can expect from us:**

- training, if appropriate, and support to help you carry out your responsibilities
- a successful and growing local sports club with a team driven culture

Thank you for supporting the Jersey Surfboard Club!

Yours sincerely,

**Dave Ferguson  
President  
Jersey Surfboard Club**
